1. Transfer/ trace the template provided to the back of the patterned paper. Or for greatest ease, download a pdf file of the template (sized for 12 x 12 paper) at “The Design Room” on sonnetsstudios.com. 3. Score and fold along all dotted lines.
4. Cut a small 3 x 3 piece from the transparency. Adhere it to the back of the patterned paper, behind the heart shaped opening.
5. Adhere the side flap to the back of the box’s front panel.
6. Adhere the bottom elliptical flaps so the contents of the box are secure.
7. Fill the box with candies.
8. Secure the top elliptical flaps.
9. Decorate the face of the box by adhering a small bow made from decorative ribbon to the top of the heart window.
